PROJECTS

Story Squad – Project Link **|** GitHub   Remote
Agile Developer
- Designed gallery page based on mock-up from UX/UI team. Display users' saved drawings from server
- Collaborated on Agile team of eight developers peer reviewing code before merging branches

Movie Hub – Project Link **|** GitHub   Remote
Frontend Developer
- Created a fully responsive website with the ability to search 100K+ movies & TV series using React and pulling from a third-party API
- Designed a sleek and easy-to-navigate user interface using material-UI and component styling. Also incorporated Pagination for multipage results

Secret Family Recipe – Project Link **|** GitHub   Remote
Frontend Developer
- Developed a website that allows users to add, edit and delete recipes from the database. Led frontend team in the integration of existing backend to deliver app within a two-week time frame.
- Utilized React-Axios to make requests to the server
- Designed the dashboard using Bootstrap allowing users to view their saved recipes.

Water My Plants – Project Link **|** GitHub   Remote
Backend Developer
- Created a RESTful API using Node and PostgreSQL with endpoints for the frontend to make CRUD requests
- Built backend server with user authentication and incorporated bcrypt.js to hash passwords for added security
- Collaborated with three frontend developers to create a schema for API contract

EXPERIENCE

Creedmoor Psychiatric Center   Queens, NY
Administrative Assistant   September 2019 - Present
- Supported nursing department of 200+ staff to create a tracker for COVID-19 contact to ensure patients and staff were safe
- Sorted and filed documents and correspondence to maintain accurate and accessible records
- Created spreadsheet to track staff call-ins eliminating hundreds of attendance errors

Hallmark Aviation Services   JFK Airport
Customer Service Agent   November 2018 - September 2019
- Checked 100+ boarding passes and passports daily and directed passengers to the correct gate
- Assisted in answering passengers' inquiries and diffused complaints proficiently and courteously

EDUCATION

Lambda School – *Full Stack Web Development*   July 2021
